

**While we do our very best to accommodate families when creating cast lists, there are many factors that go into the scheduling process including class sizes, dancer ages and levels, instructor availability, rehearsal schedules, costume changes, backstage logistics, and overall show timing and balance. With hundreds of dancers participating, it is unfortunately not always possible to accommodate every request or sibling preference. We truly appreciate your patience, understanding, and support as we work hard to create the best possible experience for all of our dancers and families.**

*Thank  
you!*
